CAREER OBJECTIVE

To use my web development skills in a challenging role, helping the company grow while improving my career. I also want to learn new technologies and take on more responsibilities.

EXPERIENCE

Sevvel International | www.sevvelinternational.com

Accountant | 6 month Experience | 2021

Experienced accountant with 6 months at Sevvel International. Skilled in preparing and analyzing financial statements, managing accounts payable and receivable, and ensuring tax compliance.

INTERNSHIP

CubeAISolutions pvt ltd | <https://www.cubeaisolutions.com/>

Front-end Development | 3 month Internship | 2024

I worked with HTML, CSS, and JavaScript to build user-friendly and responsive web pages, gaining hands-on experience in UI development. This internship helped me improve my coding, debugging, and design skills.

Besant Technologies | <https://www.besanttechnologies.com>

Front-End Developer Intern | June 2025 – July | Location: Chennai

Created and optimized responsive web pages using HTML, CSS, and JavaScript. Improved user interfaces by adding interactive and user-friendly features. Gained hands-on experience in fixing front-end issues and working on real projects.

PROJECT

Portfolio Website | <https://tharani-murugu.github.io/My-portfolio/#Home>

- A personal portfolio website created using HTML and CSS to showcase your projects, skills, and contact information.
- It features a clean, responsive layout and includes a working contact form with basic validation to allow recruiters to reach out easily.

Online Survey Form - Room Booking |

https://tharani-murugu.github.io/Online_survey_form-/

- Developed an Online Survey Form to capture room booking feedback using HTML, CSS, JS.
- Included rating stars, comments, and basic validation; showed submitted reviews on the page.
- Focused on responsive design and simple, user-friendly interactions.

Student Details Form | <https://tharani-murugu.github.io/DCI2/index.html>

- Designed a Student Detail Form using HTML, CSS, and JavaScript to store and retrieve student data.
- Implemented form validation and data display features for a user-friendly interface.

TECHNICAL SKILLS

- **Web Technologies** : HTML5,CSS,JavaScript
- **Language** : Java programming
- **Database Language** : MySQL
- **Tools** : VSCode ,MySQL,NetBeans,GitHub.

CERTIFICATIONS

Front end development - Besent Technologies
